

## Library Borrowing Agreement

### Statement of Purpose

Bankstown West Public School acknowledges that reading is an important part of language acquisition and development and encourages all students to read quality literature. Parents play an important role by reading to their children, listening to their children read, and enjoying books together.

### Library guidelines

When using the library and library books:

- I will bring and use a library bag to protect the books I borrow.
- I will be a responsible user of the library both during weekly lessons and at lunchtimes by respecting the books and materials available to me.
- I will return books I borrow on time and in good condition.
- I understand that using the school library is a privilege and that failure to follow this school code of behaviour may result in loss of access.
