9:30-11:00 Yrs 3-6

12:00-1:00 K-2

11/12 Platinum Excursion

18/12 Talent Quest

Term 4 Week 5

Remembrance Day

As a school, we will be commemorating Remembrance Day on the 13th November with a short, simple service.

May I congratulate the student executive team who represented our school at the Bankstown service at the Cenotaph yesterday and laid a wreath to honour the occasion. We all enjoyed lunch supplied by the RSL and thank them for their hospitality.

Staffing News- Mrs Benson

I will be taking some leave from the 19th to 23rd November. The school will be in the very capable hands of Mr Brannigan during my absence, aptly supported by the teaching and Executive staff. 5/4B will be taught by Ms Al Dabbas during this time.

Platinum Excursion

Over the next couple of weeks class teachers will be finalising their platinum award winners. These award winners are children who have worked their way through the bronze, silver and gold medal levels achieving ten stickers at each stage. They display exceptional behaviour consistently as well as wonderful citizenship and diligent work habits. Platinum award winners are limited to four-six award nominees in each class, depending on the size of the class. The platinum award winners will be invited to attend the platinum excursion at the school's expense later in the year. Teachers know that these excursions are very popular and have made careful, considered judgements across the year.

Camp

My thanks to the four teachers who supervised the children at Bathurst last week: Mr Brannigan, Ms Vuong, Mr McKendrick and Ms Goodman. These teachers gave up precious time with their families to spend with our children to ensure they got the most of their Bathurst overnight camp experience. The children seemed to have had a wonderful experience and it will be something they are sure to remember for years.
