Transition Day for new
students 2020 (Yrs 1-6)
13th December- Talent Quest
18th December- Last day for
students

Term 4 Week 8

Congratulations

Congratulations to Viet and Chris who have just received news of being successful at gaining places in OC classes in 2020. These positions are widely sought and to have two successful applicants is a great honour. Congratulations to the boys and their very proud parents.

Congratulations to Ms Goodman who will be continuing at our school next year three days a week as our DP IL (Deputy Principal-Instructional Leader). She will continue to have a collaborative role in supporting teachers and students in improving educational outcomes. For two days a week Ms Goodman will be working with the staff of Wattawa Heights in a similar role. We are fortunate to continue to be able to utilise Ms Goodman's experience and expertise in 2020.

Public Speaking- Mr Brannigan

Recently I had the pleasure of attending the Grand Final of the Metropolitan South Operational Directorate Primary Schools Public Speaking Competition at St Peters Primary school, where one of our students, Zane K represented our Directorate. Zane did an excellent job, presenting his prepared speech on Screen Time, as well as an impromptu speech about Volunteers. The judges informed us that the 15 speakers on that day were the winners from 12 000 Stage 2 students who started the Public Speaking process earlier this year. Zane represented our school and our Region admirably. Well done Zane!

Help for our Heroes Day

What a wonderful response we've had from our fabulous community to our fundraiser for the victims of the recent bushfires. The children from K-2 had an informative talk on fire prevention and a great tour of the fire engine (and the compulsory play). The local fire brigade was very generous with their time and we'd like to thank them for their enthusiastic response. Thank you to Ms Harb for organising the visit and, of course, to Katie and Brandon who had the original idea.

Captain's speeches-2020

Year after year the quality of the speeches for children who are nominated for school captains get better and better. This year was no exception and all of the children should be congratulated on their commitment, sentiment and enthusiasm. Congratulations to Mya, Sofia, Jayden and Ayaan on being elected as our school captains for 2020.

Thank you to Ms Goodman and the Stage 3 teachers for their support of this very important process.

Presentation Day

Our annual Presentation Day is on Wednesday 4th December this year. The Year 3-6 assembly will begin at 9.30am sharp in the school hall. The K-2 assembly will begin at 11.30am, also in the school hall. Please come and help us celebrate the many achievements of our students, as well as some fabulous performances. **Please ensure all children are in full school uniform.**
