CPR and Anaphylaxis training

Staff will be involved in training of CPR and Anaphylaxis on Monday afternoon from 3:30-6:30pm. This is part of our annual professional development agenda and I thank the staff for their continual commitment to the safety and well being of all of our children.

Swimming Carnival

Thank you to Mr McMahon and Mr Brannigan who organised a wonderful swimming carnival last Tuesday. It was pleasing to see children swimming in 100m events and to see an increase in the number of children swimming in 50 metre events. As the day was fairly rushed we are looking to increase the duration of the day next year and make some changes to our processes and procedures.

BGHS visit

Our Year 5 and Year 6 girls will attend a presentation by some teachers from Bankstown Girls High School on Wednesday 26th of February. The presentation will be an opportunity for our girls to hear all about what the high school has to offer. The presentation will be in our school hall during class time. Furthermore, a high tea has also been organised for parents to attend, and this will take place at the high school. For more information about the high tea see the attached flyer.

Growth Mindset

As you know, BWPS strives to develop resilience, perseverance and determination in all of our students K-6. One way we do this is to teach all of our students about the concept of 'Growth Mindset' - which is the understanding that learning and intelligence is not 'fixed' and that through effort, hard work and persistence, anyone can become successful. We celebrate students who consistently demonstrate this mindset within our classrooms by presenting Growth Mindset badges at our award assemblies throughout the term. Only two badges per class are given at each assembly so if your child earns one, please recognise that it is a big achievement and join us in celebrating their success.

SRC:

Choir

Bankstown West students from years three to six have the opportunity again to sing in the city with other students from NSW Public Schools. This year, students will have the opportunity to sing at Sydney Town Hall on the evening of Thursday the 27th of August. We have received some permission notes back but we would love to receive more. For those families who were involved last year, you will remember that our students sang with different high school orchestras. We would like permission notes back by next week (Week 5.) Please hand in your permission notes to the office or Miss Webster or Mr Dippert. Thank you.

Here is a link with photos from previous choir concerts.
