## TERM 3 WEEK 10

### Year 6 Shirts

The Year 6 shirts have been printed and may be worn from next term. Thank you to Mr Brannigan who organised them and to Mrs Annous who very kindly delivered them and picked them up from the printer

### RATs

More RAT tests will be distributed in week one of term four for continual surveillance testing.

### Holidays

Over the holiday break there will be several tradespeople here completing 'holiday jobs' including painting, pest inspections and carpet cleaning. The field project is also expected to start.

### SRC Fundraiser - from Mrs Williams

In Week 1 Term 4, the SRC will be running a fundraiser to help purchase equipment for the playground for the students to use at lunch time.

SRC are asking students to wear their favourite sporting jersey or outfit, whether that be football, rugby, soccer, basketball, netball, hockey, Little Athletics, ballet, dance or gymnastics. All they ask is for students to bring in a gold coin donation.

Each class will then vote for their best dressed boy and girl and these representatives will come and play a game of bingo, with the winner earning whole class sport for their class!

So, save the date...Friday 14th October!

## Thank You!

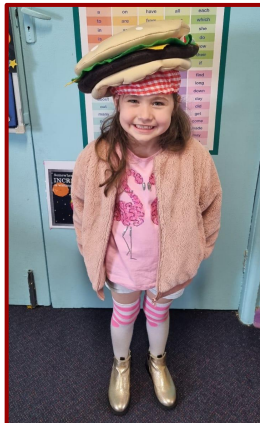

Once again, we have remained largely unscathed and fully operational despite increased COVID cases across the community earlier in the term. Thank you for your continual co-operation, clear communication and compassion as you've continued to care for yourselves, your family and your community.

Have a wonderful, relaxing break!
