

# BWPS WEEKLY NEWS

BANKSTOWN WEST PUBLIC SCHOOL

*Messages from Mrs Benson:*

## EID

Wishing all who are celebrating Eid, a joyful and peaceful celebration. As per DoE guidelines for any religious or culturally significant event, there are two approved days of leave. We do ask that parents Dojo their child's teacher so they can then be marked as having leave.

## CANTEEN

The canteen will be **closed** on Monday, 31st March but will reopen on Tuesday, 1st April as usual.

## CROSS COUNTRY

The school Cross Country races will be on Friday, 4th April for children who are 8 and over. The back up date, in case of wet weather, is on Thursday, 10th April. District Cross Country is on Wednesday, 21st May. All parents and carers may attend. Permission was given on previous sport consent notes through School Bytes.

# EASTER HAT PARADE

Just a reminder that the Easter Hat Parade is on Friday, 11th April with children asked to bring a hat, a mask or an 'eggshibition' (depending on their age).

Families are asked to donate chocolate items towards hamper drawers and buy tickets for the guessing competition.

Please note this is a fully inclusive event with no religious overtures and all are invited to attend. Please refer to the previous note and Dojo messages for more information.

# EID CELEBRATION

This year our school will be celebrating the Muslim holiday of Eid 'Under the Stars'. We would like to invite your child to a complete outdoor movie and entertainment experience here at Bankstown West on the evening of Friday 9th May. Students are encouraged to wear their pyjamas and bring along a picnic rug, to view the screening of a movie out on the field. The experience will be FOR FREE, as the school has covered the cost and students will have the opportunity to pre-order a snack pack (drink, popcorn, fairy floss & ice-cream) to enjoy during the movie for a small fee. The order form will be on School Bytes.

Communication about dropping off and picking up will be sent out on Dojo next term but basically all gates will be closed ten minutes after start time and will not be opened until the movie is finished, with pick up from the hall. Gates will be strictly supervised by teachers while open. Children will be sitting in class or stage groups on the bottom part of the field with the movie screen set up on the top of the field.

In the event of wet weather, the hall will be used.
