

BWPS – Mobile Phone Storage Agreement

In accordance with the 2020 DET policy: *Student Use of Digital Devices and Online Services*, primary-aged students are not allowed to use personal digital devices, such as mobile phones, in school time. BWPS does not allow students to bring mobile phones to school without parents completing this agreement and gaining approval from an executive member of staff.

Parents, please outline why you are seeking approval for mobile phone storage at BWPS:

Parents, in signing this storage agreement, you are agreeing to:

- Discuss requirements with your child/ren and ensure they are following correct procedures.
- Ensure your child signs in their mobile phone to the front office immediately upon arrival at school and promptly signs it out at 3pm (or upon early departure).
- Acknowledge that while all care will be taken, the school bears no financial responsibility for any devices in storage.
- Support implementation of BWPS school procedures, including our approach to resolving issues.

Students, in signing this storage agreement you are agreeing to:

- Sign in your mobile phones immediately upon arrival at school (after 8:30am) to the front office. No mobile phones should be used on school grounds or with other BWPS students before or after school.
- Ensure your mobile phone is used **ONLY** for the approved purposes.
