Harriet and Shorty

① Meet Harriet Smythe-Jones, our intrepid hero. Harriet is tall, slim, attractive, strong and brave, just as you would expect. She usually wears faded jeans, a black T-shirt, soundless sneakers and a floppy, cloth cap. She carries all sorts of ingenious gadgets in her pockets, which she finds invaluable in tricky situations.

She has a companion she calls "Shorty". Shorty is just that. He is also fat and, not being very fit, he finds it hard to keep up with the energetic Harriet. He wears loose comfortable pants and bright, floral shirts most of the time. He is always forgetting things or losing things, but Harriet knows that Shorty will never let her down. He will not abandon her when she most needs help. They have been in many dangerous situations and have so far managed to stay alive... and stay friends.
